

Entertain & Live the Country Dream !

4 4 1 880m2

This beautiful home is the complete package with a modern elevation and brilliant floorplan. The kitchen is central to the home and designed with the entertainer in mind with a fabulous WIP. A large separate media room and retreat or activity area for the children would be on the wish list for any family and the Riviera boasts both of these. The amazing master bedroom that is entered through double doors is a pure sanctuary with its own private ensuite and amazing WIR.

The large foyer features a unique stone plinth and dropped ceiling. From the foyer, through double doors is the spacious master suite complete with ensuite and a generous sized walk in robe. The centrepiece of the open plan living area is the large fireplace and raking ceiling. Add to all of this a secluded home theatre, guest's powder room and a truly large laundry, complete with preparation room, and you have a home that will tick all the boxes on anyone's wish list.

The Riviera is a must see design.
